## APPRECIATION LETTER

We are grateful to "SMILE CHILD CARE TRUST" for providing financial help for the parents of children admitted under emergency situation for the physical treatment.

Abhishek 5 year old male child came with complains of fever, seizures. He was shifted to ICU and kept on HFNC. He had active seizures, was managed with empirical antiepileptic and antibiotics. Since he was not maintaining saturation and had poor GCS, was intubated and kept on mechanical ventilation. They are struggling from financial crisis and are unable to pay the hospital bill. They really deserve financial support. We appreciate "SMILE CHILD CARE TRUST" for providing Rs.15000/- to Abhishek for his treatment.

We extend our heartfelt thanks to the organization and pray all success in their endeavours.
